

Read With You based Bruno Mars' "Marry You"
Lyrics by Jeff Wallowitz Sung by Connor Wallowitz

It's a beautiful night
We're looking for something fun to do
Hey baby
I think I wanna read with you

It is a book about crime
Or is it a Judy Blume
Who cares, baby
I think I wanna read with you

We'll go and grab your kindle
There's a grassy spot I know
Come on let's go
Oh, come on now

We'll just have a blast
Just reading in the grass, don't you know
Reading helps you grow
Oh, come on now

Don't say no, no, no, no, no
Just say yeah, yeah, yeah, yeah, yeah
And we'll read, read, read, read, read
If you're ready, like I'm ready

Cause it's a beautiful night
We're looking for something fun to do
Hey baby
I think I wanna read with you

Is it a book about pies
Or is it Freckle Juice
Who cares, baby
I think I wanna read with you

I'll read Stephen King
You can read Lord of the Rings
Ooh, so what ya wanna do
Let's just read now

When you wake up
We'll go and meet up, it's cool
We'll meet after school
Reading's fun, now

Don't say no, no, no, no, no
Just say yeah, yeah, yeah, yeah, yeah
And we'll read, read, read, read, read
If you're ready, like I'm ready

Cause it's a beautiful night
We're looking for something fun to do
Hey baby
I think I wanna read with you

Is it a book about fries
Or maybe the mighty Zeus
Who cares, baby
I think I wanna read with you

Just say you do
We're reading right now, baby
We're reading right now, baby, baby

Just say you do
We're reading right now, baby
We're reading right now, baby, baby

It's beautiful night
We're looking for something fun to do
Hey baby
I think I wanna read with you

Is it a book about hives
Or maybe Winnie the Pooh
Who cares, baby
I think I wanna read with you
